Acknowledgement of Country

Brisbane Catholic Education acknowledges the Traditional Custodians of the lands on which our schools and offices stand. We honour the enduring relationship with Country, the lands, waters and skies that have been cared for through wisdom, responsibility and love for tens of thousands of years by First Nations peoples. We extend our deep respect to Elders past and present, and to Aboriginal and Torres Strait Islander peoples who continue to nurture culture, community and identity across generations.

We give thanks for the rich cultures, Spiritualities and knowledges that First Nations peoples share with us. These ways of knowing, being and doing continue to shape our understanding of community, justice and care for one another and for creation.

As a Catholic education community, we commit to embedding cultural safety in our school so that Aboriginal and Torres Strait Islander children, families and staff are seen, respected and affirmed, and so that no one experiences harm, exclusion or silence because of culture or identity.

Cultural safety calls us to listen deeply, to reflect honestly on our histories, and to walk together in humility and courage. It asks us to ensure our classrooms, relationships, policies and practices uphold dignity, belonging and justice for all.

May we continue to walk gently and respectfully together, learning from First Nations peoples and from one another, so that our school is a place of welcome, truth-telling and hope.

May we be one in land, one in Spirit, one in Faith, united in God's love, committed to justice, and faithful to the responsibility entrusted to us as educators of this land.

Introduction

Because wherever a child or vulnerable person is safe, there you serve and honour Christ.

Pope Francis written address to the Pontifical Commission for the Protection of Minors' plenary assembly in Rome March 24-28, 2025.

St Benedict's College, Mango Hill, is committed to creating environments where children and young people feel protected, valued, and heard. Safeguarding is a shared responsibility, and every child has the right to grow and thrive free from harm.

We are guided by our Christian Catholic Tradition and the teachings of Jesus Christ who advocated for the protection of children and the marginalised. Our mission to teach, challenge and transform through our educational endeavours is actioned by Catholic Social Teaching, as part of the Archdiocese of Brisbane.

The Queensland Government recently introduced new Child Safe Standards. These Standards clearly outline what child safe organisations must do to create environments where children are protected, respected and able to speak up. They focus on building safe, welcoming cultures, hearing and valuing children's voices, working closely with families, celebrating diversity, making sure the right people work with children, responding quickly to concerns, and always looking for ways to improve safety.

Throughout 2026, our school will review its compliance against the new Child Safe Standards using a phased approach in line with Queensland Family and Child Commission guidelines. We will review, self-assess and report against selected Standards each term, building towards full implementation and continuous improvement across all Standards by the end of the year. This staged process allows St Benedict's College to embed the Standards meaningfully and ensure our practices reflect the needs, voices and safety of our students.

As a Catholic school within the Archdiocese of Brisbane, we honour the Archdiocesan Safeguarding Commitment and uphold the values of Catholic education in our safeguarding practices.

This School Safeguarding Plan is developed in consultation with students, families, and employees, and is contextualised to our local school environment. It reflects our commitment to continuous improvement, cultural safety, and child-centred practice, and is supported by both Brisbane Catholic Education policies and procedures and school-specific safeguarding actions. Further Information about BCE wide practices can be accessed [here](#).

For more information or to request accessible formats, please contact the school Principal.

The Archdiocese has zero tolerance for all forms of abuse and is committed to safeguarding everyone involved in its activities, ministries, and services. The safety and wellbeing of children and adults-at-risk is paramount.

The Universal Principle

Ensuring cultural safety through the Universal Principle is essential for Aboriginal and Torres Strait Islander students and families.

While the Principle intentionally focuses on First Nations children, the cultural safety indicators which make up the Principle are designed to adopt a proactive and comprehensive approach to safeguarding, ensuring that policies, and practices are inclusive for all children, particularly those who may be marginalised or vulnerable. The Universal Principle is embedded within all 10 Standards.

Cultural Safety Indicators

- 1 Transformational unlearning** – Organisations must challenge unconscious bias, racism, and discrimination within their structures and workforce.
- 2 Negotiating values, motivations, and paradigm** – Policies and programs should be co-designed with Aboriginal and Torres Strait Islander communities to reflect their perspectives on child safety.
- 3 Prioritising social and emotional wellbeing and health** – A holistic, strengths-based approach must be adopted to support the wellbeing of Aboriginal and Torres Strait Islander children, staff, and families.

The Cultural Capability Framework

This framework enables Brisbane Catholic Education to develop a workforce grounded in Aboriginal and Torres Strait Islander cultural humility, enabling responsive and innovative practices that contribute to Reconciliation. The Cultural Capability Framework and Molum Sabe assists our workforce to critically reflect on individual and organisational practices and develop effective practices across four cultural standards:

Teaching

Culturally responsive teachers and education professionals create the conditions for respectful relationships with Aboriginal and Torres Strait Islander peoples, and learning of knowledges, identities, cultures and languages.

Relationships

We develop relationships and connections with Aboriginal and Torres Strait Islander employees, students, families and communities to build and sustain inclusive and culturally safe practices and environments.

Environment

We establish an inclusive and culturally safe environment, where Aboriginal and Torres Strait Islander employees, students, families and communities feel a sense of belonging and connection.

Leadership

All employees are accountable for building and sustaining inclusive and culturally safe practices and environments with Aboriginal and Torres Strait Islander employees, students, families, and communities. Leaders have additional responsibilities to articulate a clear vision and provide ongoing cultural capability development opportunities for employees.

Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture¹

Brisbane Catholic Education's commitment to Standard 1

At BCE, student safety is central to how we plan, think and act, shaping a safeguarding culture that protects their safety and wellbeing. We use a whole of organisation approach; led by strong leadership, embedded in practice and supported through shared responsibility. Clear policies, codes of conduct, Student Protection Processes and risk management plans set behavioural expectations and guide how we keep children safe. Our Safeguarding Policy aligns with the Archdiocese of Brisbane Safeguarding Framework and is available on our website. Leaders are accountable for ensuring these requirements are followed and continually improved. Safeguarding is a system critical foundation of the BCE Strategic Plan 2025–2027 and an identified enterprise risk, monitored through regular monitoring, internal audits and escalation pathways. Governance transparency is reinforced through quarterly reporting to the BCE Executive Team, Safeguarding Committee and Catholic Education Council, including assessments of practice effectiveness and improvement progress. We take a strong stand against discrimination, bias or harm toward any child and are committed to cultural safety for Aboriginal and Torres Strait Islander peoples.

What Standard 1 looks like at our school:

St Benedict's College is committed to creating and sustaining a child safe culture in which the safety and wellbeing of all students is paramount. As a Catholic school within the Archdiocese of Brisbane and a Brisbane Catholic Education school, we uphold a zero-tolerance approach to all forms of abuse and recognise safeguarding as a shared responsibility across our community.

Child safety and wellbeing are embedded within the College's leadership, governance, and organisational culture. This commitment is articulated through the College's publicly available School Safeguarding Plan and is enacted through consistent leadership practices that ensure safeguarding remains central to decision-making. Student safety and wellbeing is the first agenda item at every weekly College Leadership Team meeting, ensuring that considerations of risk, wellbeing, and protection inform strategic, operational, and pastoral decisions across the College.

Safeguarding at St Benedict's College is embedded in daily practice and not limited to policy compliance. Risk management processes are applied across all College activities, including excursions, camps, liturgies, and significant events, with explicit consideration given to supervision arrangements, student privacy, transport, and consent. These processes are supported by clear expectations and shared accountability for staff at all levels.

All staff are required to complete Brisbane Catholic Education-mandated safeguarding and student protection training and are accountable to the BCE Code of Conduct. To support transparency and student understanding, the College shares a student-friendly version of the Code, known as the *Rules for Adults*, which is explicitly discussed by Pastoral Leaders at the commencement of the school year and revisited mid-year. This supports a culture where students understand what respectful and professional adult behaviour looks like and feel confident to speak up if concerns arise.

¹ Alignment with National Catholic Safeguarding Standard (NCSS): Standard 1: Committed Leadership Governance and Culture | Working with Children (Risk Management and Screening) Regulation 2020 (Qld), Schedule 1, Section 2(1), (2)(a) and (2)(b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 6 (1), (2) and s9 (e)

Clear governance arrangements support a consistent and coordinated approach to safeguarding. The College's Student Protection Contacts are visibly identified through posters displayed in every teaching space and promoted regularly through assemblies, electronic signage, and newsletters. Students are reminded of the multiple pathways available to seek support, including Student Protection Contacts, Pastoral Leaders, Guidance Counsellors, and members of the Leadership Team. Families are informed of safeguarding processes through College newsletters, parent meetings, and the College website, reinforcing shared responsibility and trust.

St Benedict's College is committed to ensuring cultural safety for Aboriginal and Torres Strait Islander students, families, and community members. This commitment is demonstrated through visible symbols such as Aboriginal and Torres Strait Islander flags, artwork, and Acknowledgement of Country signage, as well as through curriculum engagement and Reconciliation Action Plan initiatives. The College maintains active consultation through its RAP committee and continues to strengthen opportunities for Aboriginal and Torres Strait Islander voice, leadership, and participation, recognising this as an important focus for ongoing improvement.

Through visible leadership, strong governance, consistent communication, and reflective practice, St Benedict's College seeks to ensure that safeguarding is a living responsibility embedded in everyday practice, enabling all students to feel safe, respected, and supported in their learning and wellbeing.

Standard 2: Voice of children

Children are informed about their rights, participate in decisions affecting them and are taken seriously²

Brisbane Catholic Education's commitment to Standard 2

We strive to create a culture where every child feels safe, heard and confident to share their ideas or concerns. Our employees and volunteers are supported to engage respectfully with students, listen carefully, and respond to their immediate needs. BCE's school safeguarding storybooks and animation series help explain our policies, processes and key safeguarding concepts to students in age appropriate ways. We also support schools to deliver Consent and Respectful Relationships Education so students understand their rights, identify trusted adults, and build positive, healthy and respectful relationships. Each year, students across all BCE schools are invited to share their views through the *Tell Them From Me* survey. This feedback helps us understand how students are feeling, their concerns and how we can strengthen safety and support in our schools. Our Student Voice Program gives students a platform to contribute to BCE wide decisions affecting their safety, wellbeing and learning. Our Archdiocesan First Nations Student Representative Council and our Aboriginal and Torres Strait Islander Education Team help co-design culturally safe policies and practices.

What Standard 2 looks like at our school:

In line with our implementation plan, at the end of Term 2 we will explain:

- How students learn about rights, safety and who to trust
- How the school gathers and responds to student voice
- How student participation influences decision-making

Standard 3: Family and community

Families and communities are informed and involved in promoting child safety and wellbeing³

Brisbane Catholic Education's commitment to Standard 3

Student safety, wellbeing and learning are best supported when families and schools work together and share responsibility for protecting students. At BCE, we believe informed and engaged families and communities are essential to creating safe learning environments. We support schools to partner with families in ways that are consistent, respectful, culturally safe and shaped by local needs. We also make sure families and community members have clear, accessible information about our safeguarding approach and how to raise concerns. Each year, parents and caregivers share their perspectives through the *Tell Them From Me* Parent Survey. Brisbane Catholic Education's commitment to Standard 4

Every student deserves to flourish and has the right to learn in a safe, supportive and inclusive environment, free from discrimination, bullying and harassment. BCE supports all students, regardless of background, identity or ability, to access and fully participate in their learning. We embed equity at the heart of our culture through the Student Diversity and Inclusion Policy, the Student Wellbeing Policy and the Queensland Catholic Education Council's Inclusive Practice in Catholic Schools. We expect school practices to reflect each child's circumstances and needs, and to prioritise culturally safe, trauma informed approaches in planning, communication and engagement. The Engage Student Support System and the Multi Tiered System of Supports (MTSS) help schools provide a student centred, comprehensive continuum of support. These systems enable collaborative, targeted and personalised assistance for diverse learners. We also provide children with opportunities to learn about different cultures, people and communities through the Aboriginal and Torres Strait Islander Histories and Cultures Cross Curriculum Priority and the Australian Curriculum.

Standard 5: People

People working with children are suitable and supported to reflect child safety and wellbeing values in practice⁵

Brisbane Catholic Education's commitment to Standard 5

BCE supports schools to ensure that everyone working or volunteering with students is suitable, safe and capable of upholding child safety and wellbeing. Our recruitment and screening processes embed safeguarding at every stage, from role design and advertising through to interviews, reference checks, onboarding and performance development. The Employee and Volunteer Screening Procedure includes a role risk matrix, Blue Card screening requirements and clearly defined responsibilities. These help leaders identify potential risks to student safety and wellbeing and respond appropriately. BCE's Human Resource Information System, Ignite, operationalises these procedures and helps employees monitor and maintain their safeguarding screening requirements. Our Procurement Procedure requires all external providers engaging with BCE offices or schools to be child safe and compliant with relevant legislation. The Risk Management Framework guides how we monitor safeguarding practices in schools through established quality control mechanisms. These processes ensure schools can safely engage employees, volunteers and third parties, with appropriate oversight, training and supervision in place before any child related work occurs.

Standard 6: Complaints management

Processes to respond to complaints and concerns are child focused⁶

Brisbane Catholic Education's commitment to Standard 6

BCE fosters a culture where concerns about safety and wellbeing can be raised openly, respectfully and without fear. We support child focused complaint pathways that are accessible to students, families, employees and community members. Our policies and procedures outline reporting requirements, cooperation with authorities, and expectations for timely and safe responses to concerns. From 1 July 2026, BCE will implement Queensland's Reportable Conduct Scheme. This means BCE will report any reportable allegation or conviction, conduct investigations, provide interim and final reports to the Queensland Family and Child Commission, and immediately notify police of any suspected criminal conduct within required timeframes. BCE provides guidance and training to ensure complaints are handled in trauma informed and culturally safe ways, supported by Aboriginal and Torres Strait Islander Participation Officers and expertise from safeguarding, student protection, legal, wellbeing, school operations and program teams, and employee relations and investigations teams. System wide improvements are strengthening complaint handling processes, creating clearer pathways and embedding safeguarding expertise across the framework. Brisbane Catholic Education's commitment to Standard 7

BCE builds a confident, capable and culturally aware workforce committed to children's safety and wellbeing. Our Mandatory Safeguarding Training Framework sets clear onboarding and refresher requirements for all employees. Every year, BCE employees complete online student protection training covering indicators of child harm, grooming behaviours, how to respond to disclosures and mandatory reporting requirements. School staff also participate in additional face to face training each term on topics related to student safety and wellbeing. Staff who serve as Student Protection Contacts (SPCs) receive advanced training in managing disclosures and supporting colleagues to keep students safe. Volunteers and third party providers complete mandatory safeguarding onboarding before commencing any child related work, along with annual refreshers recorded in school registers in line with the Volunteer Policy and Procedure and Third Party Safeguarding Guidelines. BCE has developed a Cultural Learning Plan and Cultural Capability Framework to strengthen cultural competency and responsiveness, promote cultural safety and BCE's Ngutana-Lui Centre provides curriculum-aligned cultural learning for students and staff. Standard 8: Physical and online environments

Physical and online environments promote safety and wellbeing and minimise the opportunity for children to be harmed⁸

Brisbane Catholic Education's commitment to Standard 8

BCE is committed to creating healthy, safe and productive physical and online environments that support student wellbeing, prevent harm and safeguard everyone involved in our activities. We take a holistic, strengths-based approach that recognises all dimensions of a child's wellbeing – physical, social, spiritual, emotional and cultural. Building plans are reviewed with a focus on environmental risks that may affect children's safety. The BCE Health, Safety and Wellbeing (HSW) Policy and BCE Safeguarding Guidelines for School Design provide practical guidance to build safe, inclusive spaces with strong visibility, supervision and access control. To support online safety, BCE aligns with the eSafety Commissioner's Best Practice Framework and delivers the Australian Curriculum for Online Safety (P-10). The Acceptable Use of Devices and Digital Resources agreement promotes safe digital behaviour and is supported by content filters and monitoring tools. Policies such as the Employee Code of Conduct, IT Acceptable Use Policy and Privacy Policy outline expectations for safe online behaviour. BCE provides guidance to help schools maintain safe digital environments, and student safety considerations are embedded in risk assessments, school risk registers and organisation wide risk management processes.

What Standard 8 looks like at our school:

In line with our implementation plan, at the end of Term 3 we will explain:

Standard 9: Continuous improvement

Implementation of the Child Safe Standards is regularly reviewed and improved⁹

Brisbane Catholic Education's commitment to Standard 9

BCE is committed to continual review, learning and strengthening of safeguarding practice across both system and school levels. Ongoing improvement ensures our policies, frameworks and practices evolve in response to emerging issues, data and feedback, and remain effective in preventing harm and promoting wellbeing. System wide reviews are carried out by the Assurance Team, Risk and Compliance Team and through school accreditation processes. These reviews assess the effectiveness of safeguarding measures and identify opportunities to strengthen practice. Critical incidents also trigger structured post incident reviews to identify risks, evaluate responses and enhance wellbeing supports for students and employees. Governance committees, including Safeguarding, Risk and Assurance, and People and Safety, monitor trends and support system wide improvements. Schools are supported to monitor their own safeguarding indicators, such as Blue Card compliance, attendance, bullying and wellbeing data, enabling a local cycle of review, reflection and continuous improvement.

What Standard 9 looks like at our school:

St Benedict's College is committed to the continuous review and improvement of its safeguarding practices to ensure they remain effective, responsive, and aligned with the Queensland Child Safe Standards and Brisbane Catholic Education requirements. Safeguarding is understood as an ongoing responsibility that requires reflection, consultation, and purposeful action to respond to the evolving needs of students, families, and staff.

The College undertakes a structured and staged self-assessment process across the school year, reviewing selected Child Safe Standards each term through participation, data analysis, activity, and evaluation. This process enables the College to embed the Standards meaningfully over time. Findings from each self-assessment cycle inform updates to the School Safeguarding Plan and guide improvement actions relevant to the College context.

Ongoing safeguarding oversight is supported through regular Student Protection Contact (SPC) Team meetings, which provide opportunities to monitor student wellbeing, review current concerns, and identify emerging patterns or trends. These meetings support timely and coordinated responses aligned with Brisbane Catholic Education Student Protection Processes.

A range of data sources is used to evaluate the effectiveness of safeguarding practices, including Tell Them From Me survey data, staff and student feedback, wellbeing check-ins, and cohort-specific surveys. This data is analysed to identify strengths and areas for improvement and to inform pastoral planning and wellbeing initiatives.

Consultation with students, staff, and families supports continuous improvement, with feedback gathered through surveys and consultation opportunities. Safeguarding findings and improvement actions are communicated through leadership forums, staff meetings, assemblies, newsletters, and engagement with the School Board, supporting transparency and shared accountability. Through ongoing review and reflection, St Benedict's College ensures safeguarding practices continue to evolve to support the safety and wellbeing of all students.

⁹ Alignment with National Catholic Safeguarding Standards: Standard 9 Continuous Improvement | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(6)(a) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s20

Standard 10: Policy and procedures

Policies and procedures document how the entity is safe for children¹⁰

Brisbane Catholic Education's commitment to Standard 10

The Archdiocese of Brisbane Safeguarding Framework guides safeguarding practice across all Catholic entities, including BCE. The BCE Safeguarding Policy sits within this framework and is supported by a range of policies, procedures and guidelines designed to protect student safety and wellbeing. Under the BCE Policy Governance Framework, all policies are reviewed at least every three years through consultation, governance checks and formal approval. This ensures they remain current, reflect best practice and continue to support student safety, wellbeing and cultural safety. Consultation ensures policies reflect lived experience and meet the diverse needs of school communities. BCE is also working to make policies easier to understand and use, including creating child friendly resources. Policies and procedures are accessible to students, families, volunteers and third parties through BCE and school websites, and are available internally to employees through Spire. Safeguarding responsibilities are embedded in the BCE Leadership Capability Framework, ensuring leaders consistently communicate, model and apply policy requirements.

What Standard 10 looks like at our school:

St Benedict's College implements Brisbane Catholic Education safeguarding policies and procedures to ensure the College is safe for children and that safeguarding expectations are clear, accessible, and consistently applied. These policies align with the Queensland Child Safe Standards and the Universal Principle and are supported by school-based processes that reflect the local context and needs of the College community.

Safeguarding policies and procedures are embedded into daily practice through staff induction, ongoing professional learning, and regular reinforcement by College leadership. All staff are required to complete mandatory Brisbane Catholic Education safeguarding and student protection training prior to engaging with students and participate in regular refresher training to support consistent understanding and application of safeguarding responsibilities.

College-specific safeguarding processes and expectations are communicated clearly to students and families through the Parent Handbook, newsletters, assemblies, and parent information evenings. Key procedures, including student protection pathways and expected standards of adult behaviour, are explained in age-appropriate ways to support transparency and confidence in reporting concerns.

Safeguarding policies and procedures are reviewed and strengthened through consultation with staff, students, families, and the School Board to ensure they remain practical, responsive, and aligned with best practice. Through leadership modelling, clear communication, and regular review, St Benedict's College ensures that safeguarding policies are living documents that guide consistent practice and support the safety and wellbeing of all students.
