For further information, please refer to the College Fee Policy on the College website and Parent Portal.

Early Payment Discount — Tuition Fees and Levies

The College offers an early payment discount of $250 for one student, $400 for two students, or $550 for three or more students when annual fees are paid in full on or before 1 March each year. The discount is applied pro rata for split billing. If you choose this option, deduct the applicable discount from the outstanding balance when making your payment. This discount is not available to families receiving an approved fee concession.

Tuition Fees

Tuition fees are calculated in accordance with the recommendations of Brisbane Catholic Education.

Resource Levy

The Resource Levy is charged per student and covers subject resources, incursions, guest speakers, excursions, transport, student accident insurance, sport and cultural activities, student identification cards, general administration costs, the College yearbook and additional textbook hire. It also covers information technology resources and infrastructure, including hardware and software. The levy includes compulsory overnight camps where these form an integral part of the curriculum for specified year levels.

Capital Levy

The Capital Levy is a compulsory charge per family. It covers the capital costs of College buildings, infrastructure and grounds and capital loan repayments.

Parents and Friends Advisory Group (PFG) Levy

The PFG Levy is charged per family and provides additional College resources for students and staff. Expenditure is managed in consultation with the Parents and Friends Advisory Group members and the Principal.

Additional Charges

The following items are not included in College fees and levies. Charges must be paid in full at the time of the activity, unless alternative arrangements have been made with the College:

- Year 12 senior jersey and formal
- Charges specified in the Subject Handbook
- Other optional levies

Accounts and Payment Arrangements

Tuition fees, resource levies and family levies are billed annually in February for all students. Payment is due in full within 14 days of the Statement of Fees and Levies being issued, unless a payment plan has been established. The payment due date is shown on the statement.

Payment arrangements may be made weekly, fortnightly, monthly or quarterly. Families are expected to pay at least 25% of the annual fees each quarter and the account must be paid in full by the end of Term 4 each year, unless otherwise negotiated with the Business Manager. Families experiencing difficulty paying fees by the due date are encouraged to contact the College Finance Team promptly. Early communication enables the College to explore available assistance.

Withdrawal of Enrolment

Fees are payable for the full term in which enrolment ends. Any request for a reduction in the final account must be submitted in writing to the Principal when notice of withdrawal is given. A reduction may be granted at the Principal’s discretion, taking into account personal mitigating circumstances.

Textbooks, library books, laptops and all accessories remain the property of the College and must be returned when a student leaves. Outstanding fees remain payable under the usual payment terms. Where applicable, credit balances will be refunded upon written request.
